“Science suggests that when it comes to ease of learning and proficiency in a foreign language, earlier is better.”

-Taken from *“Earlier is Better”* by Linda Foust—Parents’ Press -

Señora Rojas has also been our resident Spanish instructor here at InterActive Academy for over ten years.

As a native Spanish speaker, she also has ten years experience teaching Spanish for Learn Another Language Inc.

Our Spanish program covers levels Kinder through Middle School. Classes are small and follow curriculums appropriate for Spanish experience and age of our students.

The children learn through a mix of instruction, games, music and other fun activities.
